### Licensing Restrictions

Due to the fact that "grandrights" must be obtained for licensing and performance of Broadway Jr. Shows, certain restrictions do apply:

- Performances must be done by accredited elementary and middle schools using students in Grade 9 or under only. High schools using students older than ninth grade must contact Rogers & Hammerstein ([www.rnh.com](http://www.rnh.com)) directly.
- Sorry, orders cannot be processed for Community Theatres, Children's Theatres, Summer Camps, Dance Studios, or Performing Arts schools which do not have an academic curriculum.
- Your purchase price includes the materials in the Showkit plus unlimited performing rights for one year. Upon placing your order, you will receive a performance rights license from Hal Leonard Corporation. After the completed license is returned to Hal Leonard, they will send out the complete Showkit (non-returnable). Pepper will then send you an invoice for the material.
- Products may be sold in the United States, Canada (with the exception of "Godspell"), and schools on foreign US military bases only.
